

Thanks Letter for Promotion to Boss

Respected Sir,

I have been a loyal employee at your company for the last 12 years. I have been a hardworking and faithful employee as this company has made me who I am today. Around 3 years ago, I had almost lost faith in me but you didn't and with that help, I have been able to overcome almost everything. That is the reason why this company is more than just a workplace for me. The first job I ever got was here and I have been grateful to you ever since. Today, I got the letter which said that I have been promoted from Financial Advisor to the Head of Accounting department. I am honored to have been able to achieve this milestone especially at such a well-known company. I wish to work even harder and have a greater contribution as it cannot be compared to what this company has given me. I wish to continue this work relationship over the coming years. I am very thankful to you for giving me this opportunity.

Sincerely,

XYZ
